April, 2024

Hello Carson Families,

I hope you are having a lovely start to spring!

This week April 23-25, 2024 Nadeau St has been closed to traffic as we prepare the next stage of our new school! Nadeau St. will be reopened April 29th. We apologize for any inconvenience this may cause you and your family. Traffic should be back to normal next week. We anticipate road closures in the future and will do our best to keep you informed as we know more.

Spring has arrived and our bears are waking up! Please talk with your child about bear safety. We encourage students to walk with a friend, make noise and not eat outside.

Our Cross Country team has been training hard to get ready for upcoming races. During this time our school has had the opportunity to get out in the sunshine and participate in a whole school walk/run. Students have shown great dedication!!
