September 2024

Hello Carson Families!!!

Thank you for your patience during our start-up this year! Our classes are assigned and we are now on our way!! We are excited for a fantastic year of learning and growth.

Construction on our new school is underway, and our footprint is taking shape. Last year students participated in painting a beautiful mural with Clayton Gauthier of the stages of the Talook (Salmon) which recognized the power of transformation. As our school transforms, so do our children. Our team at Carson is honoured to be part of the transformation process and we are committed to building a strong foundation for our students.

If you are interested in participating in our school community our first PAC meeting will be Sept 25 at 6:30 in the library. All parents or guardians are welcome to attend and learn more about our school and PAC community.

Tomorrow we will participate in our school Terry Fox Run. Students are invited to bring a donation that will help support Cancer Research.

We are looking for coaches to help with our girls Volleyball team this year! If you think you may want to help out please contact me in the office!!!

Welcome back Carson and I can't wait to see what this year has in store!!
