Remember!!!

February/March 2025

Winter Greetings!

This month our school focus is kindness! We have been discussing the joy, value and importance of caring. This includes caring for ourselves by doing things that will help us be our very best. Activities like getting plenty of sleep, preparing for our day, eating healthy and playing outside can help us care for ourselves. We are also focusing on caring for others! In our hall, we are growing a kindness tree and we will be finding the caring around us! Caring for ourselves and others isn't always easy, but together we can build a positive space where we help others to grow! This month we have Valentine's Day, Family Day and Pink Shirt Day, all of these days help us to remember the importance of care and kindness! Thank you for your flexibility with our intermediate ski days! We have received replacement days on Feb 18 and 19. Keep your eyes open for new ski forms!!! They are coming your way! Fingers crossed that the ski days will not have to be cancelled again!

With the chilly days please ensure your child is dressed for the weather and their clothing is labelled. We have an abundance of gloves, toques and hoodies at the lost and found.

Thank you families for your care!

Ashleigh Desbiens
