June 2025

Happy June Carson!

It is amazing how fast time has flown this year! I have had so much joy watching our students grow!

Keep an eye on our school calendar, you can access it online, and see what is going on this June in our school! This year, our school will be attending Barkerville on Monday, June 16, 2025. I would like to thank PAC, for sponsoring this event!!

Because of the important work PAC does this event will be no cost to students.

On June 13th Carson students are asked to wear/bring something that they are proud of! "Proud of who we are!" will allow students to share with others the things that make them unique!! We are excited to celebrate the diversity of our school and staff.

We have been working with community and school partners to review expectations for behaviour when at school, on the bus or in our school community. The manager of the Bus Garage met with our student who rides the bus to review what is expected of them during travel.

Please do NOT park in the staff parking lot when dropping off and picking up students. This includes once school has started, as many students use the parking lot space throughout the day for drop-off and pick-up plans.

Happy almost summer!!!
