PRINCIPAL'S MESSAGE

We are well into our New Year!

I hope you had a wonderful break, and we are happy to be back in action. I would like to remind families of the bus expectations that were recently sent home. Please take a moment to discuss with your child the importance of appropriate behaviour on the bus. We are happy to answer any questions that you may have.

Our school has had a busy week enjoying both downhill and cross-country skiing. Thank you for supporting our children and encouraging them to try new activities. It is essential that we seize the opportunity to develop resilience and take advantage of new opportunities that arise.

As we move into our next term, I would like to bring your attention to our school code of conduct. Our school community has a responsibility to behave appropriately towards others at our school. This includes teachers, other staff and peers. Living in a complex community requires us to participate appropriately and it isn't always easy. We have been working to encourage appropriate behaviour at school. We are committed to a safe environment and we all play a role.

The new catchment lines for School District 28 have been released. Information regarding the process is available on the school district website at <https://www.sd28.bc.ca/plan-ahead-catchment-areas-important-dates-and-how-register>

Please take time to read the information, as it may affect your child and family. This is still early in the process and may raise some questions. Please email the school or the district office, and we will do our best to answer them. We look forward to the next school year and welcoming our new families.

Thank you for your continual support.

Ashleigh Desbiens

*****ALLERGY ALERT*****

It is very important to remember our school is
Nut Free and Scent Free.

Friendly Reminder about Drop-Offs & Pick-ups

To help us keep classrooms focused and running smoothly, we kindly ask that **All parents/guardians check in at the office** if you are :

- Dropping off or picking up your child during the day
- Bringing lunch, school items, or other belongings

Our staff will happily call your child to the office or bring the items to the classroom so that teaching times are not interrupted.

Thank you for supporting a calm and productive learning environment for all our students
